JOB TITLE: Software Developer

DIVISION: IT

OFFICE: Birmingham

We are looking to recruit a Software Developer within our IT department, based in Birmingham with travel to other offices as necessary.

While this is primarily a software development role, there will be an element of working with support and assisting with our out of hours support response. You must be enthusiastic and pay attention to detail, use your own initiative to solve problems but, also be involved with the team, work accurately under pressure and adhere to deadlines.

With excellent communication skills you will be involved in both the design and development of our QUBE family of applications based around our claims management system with mobile applications and integration with external systems.

To be successful in the role you will need to demonstrate a high level of technical, quality and service delivery, a commitment to innovation and a determination to provide a market leading service and product on behalf of QuestGates.

The Credentials

- Microsoft Visual Basic .NET for both web and desktop applications
- Microsoft SQL Server 2008 (and later) databases – using and configuration
- Microsoft Office and its interaction with Visual Basic.NET
- Microsoft Reporting SSRS
- Experience of XML in a commercial environment
- Understanding of the various PC and Server Microsoft operating systems
- Source Control
- Application distribution and installation
- Ability to investigate and resolve minor hardware problems
- Entity Framework
- Team Foundation Studio
- DevExpress
- Development of Android mobile technology with Xamarin and Visual Studio Android Emulators
- Microsoft.NET C#

The Package

Benefits include a competitive salary, contributory pension, death in service and performance related bonus.

Hours of work

Standard working week is 35 hours, Monday to Friday with occasional work outside these hours to perform system updates etc which cannot be done during the day. Where necessary you may be required to assist with critical out of hours problems.

Closing Date for Applications

Close of business on Friday 27th April 2018.
