JOB TITLE: Senior Surveyor x 2

DIVISION: Subsidence

OFFICE: London/ South East

We are looking to recruit two Senior Surveyors within our Surveying Services division, based in preferably in London/ South East England.

Selected for your technical expertise, you will effectively manage a caseload of Subsidence losses and will be responsible for the interrogation, investigation, diagnosis, mitigation negotiation and settlement of subsidence claims by effective utilisation of your own skill set, the wider regional team, sub-contract Engineers and Contractors.

Occasional opportunity to service the wider surveying operation may present.

As a senior member of the team, in addition to your daily activities, you would on occasion, contribute to the development of the Surveying Services Team through training, best practice and audit.

The Credentials

- Suitable chartered status or working towards MRICS, C.Build.E MCABE, MCIQB, MICE, CEng or MIStructE preferred.
- Proven experience of subsidence claims adjusting.
- Excellent communicator with sound negotiation and investigation skills
 - Ability to work both as part of a team and under own initiative
 - Ability to work accurately under pressure, adhering to strict deadlines and service standards
 - High degree of IT literacy / competency
 - Ability to maintain a flexible approach at all times

The Package

Benefits include a competitive salary, car allowance, contributory pension, death in service and performance related bonus.

Hours of work

Standard working week is 35 hours, Monday to Friday with flexibility during surge and days where service levels / targets have to be achieved.

Closing Date for Applications

Close of business on Friday 13th November 2020.
