

Structural Surveys Careers and Vacancies

JOB TITLE: **Structural Technician (Design)**

LOCATION: **North-West area**

We are looking to recruit an AutoCAD Structural Technician with several years AutoCAD experience to join our team. The ideal candidate will be passionate about digital technology and the benefits it brings to our profession.

To be successful in the role you will need to demonstrate a commitment to innovation and a determination to provide a market leading service and product on behalf of Structural Surveys, A QuestGates Company.

Key Skills:

- Excellent communication skills, both oral and written
- Excellent knowledge and application of AutoCad & Revit
- Good degree of IT competency and literacy
- Demonstrate personal and professional integrity and lead by example
- Ability to work accurately under pressure, adhering to deadlines and service standards
- Ability to work and contribute positively as part of a team and in isolation
- Minimum HNC Civil and/or Structural Engineering Degree
- Several years structural drawing experience
- Proficiency in IT systems including all aspects of Microsoft Office
- A general understanding of building structures and materials including steel, masonry, concrete, and timber
- Experience in working on Structural BIM models

The role involves:

- Demonstrate a high level of technical quality and service delivery
- Provide exceptional customer service at all times
- Participate positively and constructively as a team member, sharing knowledge and providing feedback and suggestions

- Preparation of AutoCad structural drawings
- Providing support to the Senior Structural engineers
- Developing and maintaining our AutoCAD library, standards, and files
- Assistance with site inspections
- Preparation of BIM Model in Revit or similar software

The Package:

- Competitive salary
- Enhanced contributory pension
- Performance related bonus
- Flexible benefits
- Enhanced family leave
- Electric car scheme
- Voluntary benefits schemes
- Birthday holiday
- Share purchase scheme with interest free loans

Hours of work:

Standard working week is 37.5 hours, Monday to Friday with flexibility to work from home /office.

Closing Date for Applications:

Close of business on Friday 15th December 2023.
